Falls Creek Public School P & C Meeting 12/5/16

Principal's Report

Students have had a smooth start to Term 2, despite staffing changes thanks to the professionalism of the school's teaching and SASS staff. Thankyou to Mrs Bonnie Cullen for taking on the Relieving Principal's role for Weeks 1 & 2, before I was able to commence at the beginning of this week.

I have spent this week supervising NAPLAN , familiarising myself with procedures and finances and completing the myriad of forms required to gain authorisation for the role of Relieving Principal.

I'm very much looking forward to teaching K/1/2, beginning next week.

I am keen to reinvigorate the vegie garden and the cooking program (with some community help, if available) and would like to suggest some working bees to beautify our many garden beds.

The first priority for me, however, would be improving the driveway, pedestrian entrance and street frontage areas. I have already made enquiries with Assets Management, who are coming out tomorrow (Friday, 13/5) to do an inspection and with Shoalhaven Council to see what support we can get for these much needed improvements.

I am very much looking forward to working with the Falls Creek Public School P&C Association throughout the remainder of this year.

Deb Sansom

Relieving Principal
