FALLS CREEK PUBLIC SCHOOL P & C ASSOCIATION

Principal's Report Term 4 Week 3

- I have greatly enjoyed my time as Relieving Principal at FCPS but I have now been appointed as Principal of Terara PS and will commence on 5/12/16.
- New Relieving Principal: Jacqui Cavill (AP Koonawarra PS) will commence on 5/12/16 and continue for all of 2017. Nicole Humphreys has agreed to continue as Relieving Principal at Shoalhaven Heads PS for all of 2017.
- Kindergarten Orientation – This Tuesday, 1/11/16. Parents will attend an information session in the library whilst new students will join this year's Kindergarten students for classroom activities with Mrs Porteous. If projected numbers are realised, Mrs Porteous will take Kindergarten next year.
- Mrs Brown will be taking leave next year and Mr Dion Lalor will replace her.
- South Coast Correctional Centre Community Projects team worked on the school grounds during the September/October holidays and made a big impact on the gardens and demolished the old chook shed. They are willing to do further work during the Christmas holidays if the new Principal wishes to arrange it. A&D Tree Services delivered a free pile of mulch for the gardens. Possibility of another working bee to distribute it around the gardens?
- Canteen renovations have still not been finished to acceptable standard. Vinyl floor covering is to be taken from the school's maintenance budget, so we have opted for patching the original vinyl. The hall may be painted and holes in internal walls repaired.
- We have requested repairs for the soft fall area around the play equipment as sections of it have become a trip hazard. We are awaiting inspection from Joss.
