

**Term 2 - Week 5****Wednesday 20 May, 2015**

PRINCIPAL'S REPORT

Shoalhaven Eisteddfod: Good luck to our Primary students performing this morning at the Eisteddfod. I know Mrs Cullen has worked hard with the students and I am looking forward to watching the students perform today.

Thank you to Mrs Cullen for her hard work in preparing the students and in choosing the songs.

4/5/6 Excursion: Thank you to those students who have returned their permission notes and \$50 deposit for the excursion to Berry Sport and Recreation Centre being held from 4 – 6 November. All students need to return their note even if they will not be attending as we need to confirm numbers ASAP and pay the security deposit.

The balance of the excursion cost can be paid off throughout the year and will need to be finalised by the end of Term 3. *Student assistance is available to ensure that all students are able to attend. All applications are dealt with confidentially.* Please see Karen in the office for more information.

Crazy Hair Day: We are once again holding a fundraiser for Cystic Fibrosis on 26 June (last day of Term 2). Students will be able to wear mufti and have crazy hair. Awards will be presented to a student in each year for the craziest hair. I can't wait to see some crazy hair!!

Athletic Carnivals: We are in charge of running the FISST Athletics Carnival this year and will need lots of volunteers to help with the running of events. If you can help on the day, please contact Mr Lalor.

of our students to be injured, or worse, in an accident because they weren't in their seat.

If you have any questions or concerns, please come and see me.

K/1/2 NEWS

Students have been hard at work with Ms Porteous and Mrs Knight this week. I am missing the class and look forward to being back in the classroom tomorrow morning.

Our prac student Mr Robert Angelkovski started on Monday. He will be with the class until Friday 12 June. Mr Angelkovski will start teaching some lessons from next week.

Students have been doing Maths assessments this week in preparation for report writing.

If you have any questions or concerns, please come and see me.

3/4 NEWS

Thanks to Ms Cullen, our children are sounding quite impressive when they practise their Eisteddfod item.

This week I have given the class a chance to catch up with their Maths homework sheets. Many children have been getting the work done so it is their turn to have an easier week. We will be back to Spelling tests and work due on Friday this week.

With the Athletics Carnival fast approaching we have quite a few skills we need to practise during our PE sessions.

May is reading month and the children are starting to tick off the books they are reading for the Premier's Reading Challenge. Each level has a set list of books and the data has to be entered online. As we have been participating for a few years now we are stocking up on the

in food packaging that has the nutritional information printed on it.

We have also welcomed Ms Mary Jarvis from Wollongong University this week. Miss Jarvis will be with our class for the next 4 weeks and will be assisting and teaching students while she is here.

Thankyou for your support

Dion Lalor

MS CULLEN

Today is a very exciting day, as I am taking all of our 3/4 and 5/6 students to the Shoalhaven Eisteddfod. They will be performing two songs, Ho Hey and Sloop John B. During Art activities this week, the students are continuing to create one and two point perspective art and K/1/2 are exploring rhythm and beat patterns using percussion instruments.

SPORT NEWS

This term in week 7 on Friday 5 June we are having our School Athletics Carnival. We will require parent volunteers to help with the carnival (time keepers and place recorders). Similarly, we are hosting the FISST Athletics Carnival the following week on Wednesday 10 June. Again, we would really appreciate volunteers for this event. Please contact the office if you are able to help out.

Last week some of our students represented our school at the District Cross Country. While we are still waiting final results, I can say that our students represented their school with pride. All students tried hard, carrying injuries and improving places from the FISST Carnival. Well done boys and girls and congratulations to Rheya who came first in her event and will be attending the Regional Carnival on the 29 May.

Yours in Sport,

Dion Lalor
