

**Term 2 - Week 6****Wednesday 27 May, 2015**

PRINCIPAL'S REPORT

Shoalhaven Eisteddfod: Congratulations to the students in Years 3 – 6 who participated in the Eisteddfod last Wednesday. They came second in their division. I was very proud to watch them perform and demonstrate the hard work they've put in to perform to such a high standard.

I want to thank Ms Bonnie Cullen for her hard work and hours of planning and preparation that she put in to ensure the choir did as well as they did. Ms Cullen is very passionate about performing and works hard to ensure that all students have the opportunity to excel. Congratulations on your hard work too!!

FISST Athletics Carnival: This is approaching fast and as Mr Lalor has mentioned in previous editions of Talkabout we need parent volunteers to help run the carnival on the day. The venue has changed to Nowra High School as the grounds at Shoalhaven High School have been closed for urgent maintenance and repairs. The permission note is attached to the newsletter, please return ASAP.

Crazy Hair Day: We are once again holding a fundraiser for Cystic Fibrosis on 26 June (last day of Term 2). Students will be able to wear mufti and have crazy hair. Awards will be presented to a student in each year for the craziest hair. I can't wait to see some crazy hair!!

Bus Behaviour: We have had several incidents of violent behaviour on the bus this term. Students who do not follow the rules on the bus may have their bus pass suspended and be refused travel on the bus.

Please reinforce with your children to sit in their seat and stay there for the duration of the

details with strangers on their phones. Unfortunately, there are people out there who prey on children and befriending them on social media is the first step in grooming children. Please check who your children are friends with online.

If you have any questions or concerns, please come and see me.

K/1/2 NEWS

Mr Angel has begun teaching the class this week for lessons and will slowly take over more of the lessons in the next 2 weeks.

In Maths this week we've been having fun learning more about multiplication and division as well as practicing our counting skills.

In Spelling, Years 1 and 2 are learning about words with the 'nk' sound, such as think and sank. Kinder are learning about the letter 'z' and the 'sh' sound.

It's great to see so many home readers coming in. Kinder are moving up to more challenging books in class and with their home reader, if they are returning them regularly. There are still some Year 1 and 2 students who are not regularly changing their home readers.

I will be in Sydney tomorrow for a meeting and Mrs Knight will have the class.

If you have any questions or concerns, please come and see me.

5/6 NEWS

This week in 5/6 our class has had the pleasure of being taught by both myself and Ms Jarvis. Ms Jarvis has been teaching students about volume and capacity in Maths, as well as time. In English we have been continuing with narratives. Ms Jarvis has introduced students to narrative poetry and they will also be creating their own short story book.

As part of homework for next week, students are being asked to collect information that informs them of health topics (diet, fitness, well being, healthy recipes, parents TV, experts and professionals etc.) A lot of these can be sourced from newspapers and magazines, but for those that can't be sourced a simple list will suffice.

Thankyou for your support

MS CULLEN

Firstly, I would like to thank all our students that performed at the Shoalhaven Eisteddfod last week. The hard work they put into their rehearsals was evident, with their beautiful performance and our second prize. Well done everyone! This week 5/6 are exploring 'The Scream' art by artist Edvard Munch. Students in 3/4 are exploring two point perspective art and K/1/2 are continuing to rehearse a body percussion item that they will be performing at assembly tomorrow.
