Term 4 - Week 3

Wednesday 28 October 2020

## PRINCIPAL'S REPORT

During the holidays we welcomed some new members to our FCPS family - Chester the rooster and hens Queenie, Rosie and Dash. Huge thank you to Maple, Mike and Colin who cleaned out the coop, mowed the lawn, weeded and replanted the garden beds and set up trellises. Your hard work is greatly appreciated!! We have set up a Rooster Roster where each week four students will be responsible for checking the chickens before school. If your child is late they will miss this opportunity. A copy of the roster is included in this Talkabout.

Thank you to those proactive parents who participated in the Tell Them Form Me Survey. We appreciate you taking time out of your busy day to provide valuable feedback. We are entering into a new school planning period and so will be continuing to seek your feedback and input.

### Book Week

Thanks also for your amazing support during Book Week - **every** student came dressed as a favourite book character, it was an impressive sight. We managed to raise over **\$800** which is a great achievement given the circumstances!

## K/2 BLUE

A couple of photos from our Kindy Orientation Day.

## 3/6 PURPLE

3/6P have been learning about lipograms. A lipogram is a piece of writing that omits one letter. For example, *'The oystercatcher stays close to the beach to look for food'* is a lipogram because it omits the letter 'i'.

Here are some of our lipograms:

**Jackson and Mitchell:** "We want to go to the trees".

**Joseph and Bryce:** "Bush tucker can be healthy".

**Silas and Amelie:** "Bush food is going away, thanks to humans!"

**Tiawananga and Torlea:** "Yesterday Torlea ate the nectar from the bottle brush".

**Courtney and Rylan:** "A proud noisy dog sat on the mat and was barking at a lizard".

**Abi and Elyssa:** "Elyssa caught a gold nugget that opened to be bush food".

**Elira and Keira:** "Dogs love people and horses are mammals".

**Te Tao and Errol:** "Hotdogs are good!"

Can you figure out which letter we have omitted from our lipograms?

**Sunsmart Snippet**

Create good habits

**Protect yourself in five ways from skin cancer**

- Slip on sun-protective clothing
- Slop on SPF 30 or higher sunscreen
- Slap on a sun smart hat
- Seek shade
- Slide on wrap-around sunglasses

Creating good sun protection habits from childhood helps reduce exposure to UV and the risk of skin cancer and eye damage.
